LOS ANGELES & SOUTHERN CALIFORNIA

The WEEKLY VISITOR'S Magazine of entertainment & dining published EVERY Thursday since 1920

"FOR ME, CHRISTY CROWL IS AN AMAZINGLY TALENTED ARTIST," raves Bob Esty, producer of hit songs for Barbra Streisand and Donna Summer. "She plays the piano brilliantly, writes wonderfully diverse music, and has a beautiful singing voice that fits comfortably in the pop, jazz and classical worlds." Christy Crowl (shown at left) will be playing with Barbra Streisand at the Democratic National Convention in downtown Los Angeles.
